Dear Community Partner:

On behalf of CET's staff and Board of Directors, I would like to take this opportunity to thank you and your company for your participation, financial contributions, and overall support of CET throughout our 43 years.

I salute the students and the 120,000 alumni, many of whom came to CET with little English, minimal education and limited financial means, facing a multitude of daunting barriers. These students demonstrate to CET faculty and staff, the values of courage, resiliency, strength, humility, gratitude, love and so much more.

Without the support of our community, sponsors and financial donors, our 43rd Anniversary would not have been the success that it was. An organization does not last for forty-three years without connection to the community and the trust of its stakeholders. We value that trust, and hope that CET will continue to provide a vital service to our community.

Thank you for your support on our 43rd Anniversary. Your continued support transforms lives of many underserved individuals and their families.

Sincerely,

Hermelinda Sapien

President and CEO
